# Taylorsville Lake State Park

Taylorsville Lake State Park is a wrangler's and angler's dream come true! The park sits on 3,050-acre Taylorsville Lake. The 2,200-acre park encompasses some of the most beautiful riding country around, not far away from Kentucky's biggest city!

**Camping:** 45-site RV full service campground. Central service building with laundry. Reservations on-line or at 1-888-4KY-PARK.

**Horseman's Camp:** 10 campground sites are set aside for horse camping. Sites have water and electric and use the same service building with laundry.

**Fishing:** Variety of species such as: bass, bluegill and crappie. Wheelchair accessible fishing pier.

**Boating:** Marina has open and covered slips, gas, food and fishing equipment. Rent a marina fishing boat, schedule cruising time on one of the marina's pontoon boats, or launch your own from four launching ramps. Seasonal. Settlers Trace Boat Ramp and Marina (Taylorsville Lake Dock): (502) 477-8766.

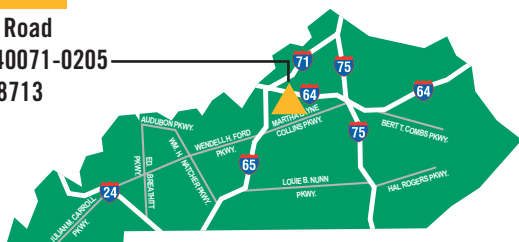

**Hiking Trails:** The 16-mile trail system is managed as multi-use trails for hikers, mountain bikers and horseback riders.
